

Capability Statement

Ex Nihilo is a trusted advisor to the government and its team members, providing objective IT governance, risk and compliance services based on a thorough understanding of customer requirements and deep systems integration experience. Ex Nihilo provides the expertise and training necessary to ensure compliance with a variety of regulations, policies and directives governing the acquisition, development and deployment of systems throughout the enterprise such as DoD 5000, FISMA, Clinger-Cohen, NISCAP, NIST SP 800-37, PMBOK, CMMi, ITIL, CobIT, and ISO/IEC 27002.

Since 2002, we have helped our customers streamline workloads, manage risks, reduce costs and realize millions of dollars in savings. Our customers include the Department of Defense, Baltimore Substance Abuse Systems, Inc., Hewlett Packard, Sun Microsystems, Northrop Grumman, DCCA and others.

Core Competencies

- IT Governance
